WORK EXPERIENCE

City of West Covina   **July 2018 – August 2019**
IT Intern   *West Covina, CA*

- As IT Intern, I was responsible for creating tickets into a ticket system of the issues and solving issues within my ability, which improved the work quality of the different departments
  - Setting up broadcast room for weekly council meeting, creating WIFI documentation, and reviewing demos for tech products

PROJECTS

Omnifood

pguo-omnifood.vercel.app

- Built a mock website advertising a theoretical food-delivery app
- Learned how to make a website responsive and deploy a website
- Creating a website from scratch made me appreciate a well-designed website and driven me to learn more about web development

Forkify

pguo-forkify.vercel.app

- A recipe search created using Forkify API
- User can search for a specific recipe and add ingredients to a shopping list
- Save favorite recipes to a favorites list via local storage

Video Player

pguo-videos-hooks.vercel.app

- Built a video player using YouTube API
- Video search bar and embed player with description

EDUCATION

Cal Poly Pomona   **May 2021**
BS, Computer Science   *Pomona, CA*

- Cal Poly Pomona Software Engineering Association - Member

INTERESTS

- **Interests:** DeFi Blockchain; working out; audiobooks; learning Spanish; comedy; anime; movies; video games
